

SECONDARY

NEWSLETTER - SEPTEMBER 2023

WELCOME BACK!

As an educational charity we seek to support you in delivering STEM and Employability for your students.

Employer engagement in a fast-changing world of work

In today's ever changing job landscape, SATRO provides a vital link between education and career readiness for schools. Our events are designed to meet the unique careers needs of schools and empower students for their future success. We facilitate career exploration by connecting students with professionals from diverse industries, offering insights into various job roles. This hands-on exposure helps students make more informed career choices.

Raising Aspirations

We connect classroom learning to real-life applications, illustrating the relevance of subjects across the curriculum. This connection inspires students not only to broaden their horizons but to do well academically.

Industry cries out for improved employability skills

As a partner is the Skills Builder programme we have integrated skills learning throughout our offers. We support students understand and acquire essential skills such as problem solving, teamwork and communication to enhance their employability.

SATRO is an Education Business Partner

Our aim is to work with schools and businesses to raise the aspirations of young people; get in contact to discuss how we can work together to support your students.

IN 2022/2023 SATRO...

SUPPORTED 10,900 STUDENTS

DELIVERED 29,500 SESSIONS*

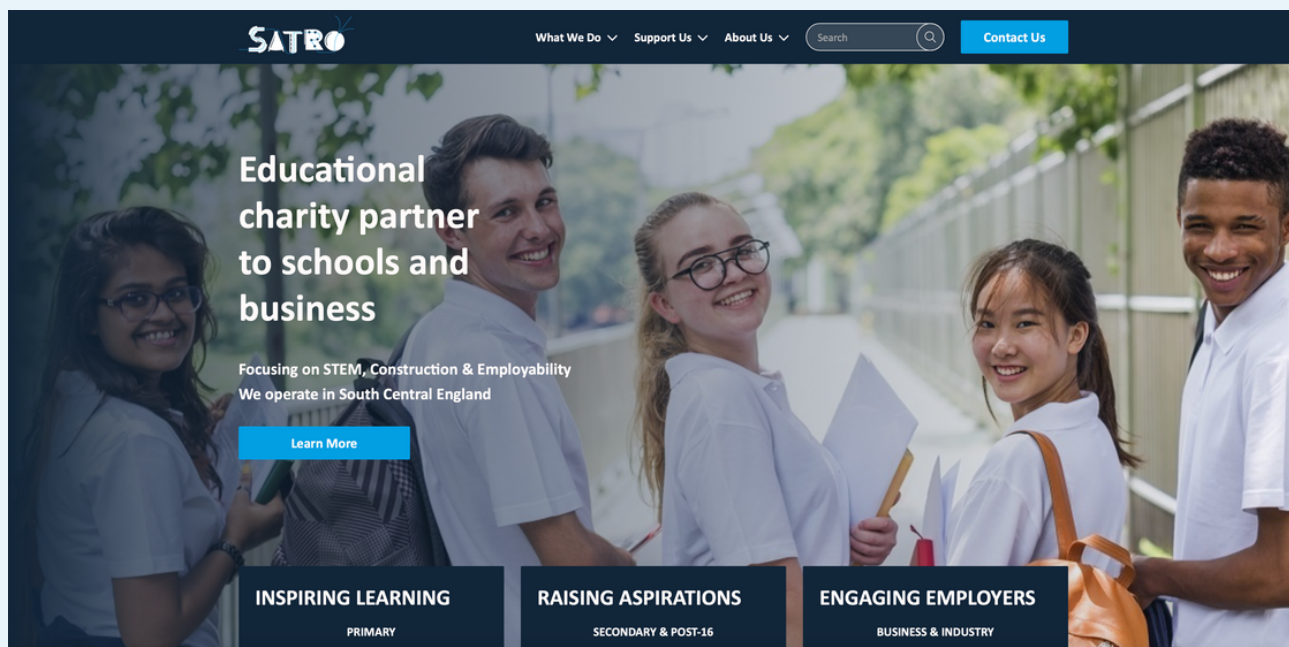

**WORKED WITH OVER 510
VOLUNTEERS GIVING OVER 5,200
HOURS**

*unique sessions include our full academic year programmes - STEM, construction and mentoring where we are regularly in schools each week.

NEW LOOK WEBSITE

RAISING ASPIRATIONS

Our new look website provides an overview of all our events, challenges and workshops, we provide simple pricing and easy contacts for the booking.

Our focus is to challenge students perceptions of the world of work, skills and aptitudes, pathways to employment and the breadth of careers available to them. The aim being to building their aspirations for a successful future. We do this by delivering:

- **Cross curricula** events and workshops with real-world applications of science and technology,
- Opportunities to develop **transferable skills** for all careers,
- **Engagement with employees** from a broad spectrum of industries in our region,

Meeting your **Gatsby Benchmarks** is key to what we do, bringing current industry & LMI experience into what we deliver. Our aim being for students to **widen their horizons** and **challenge their perceptions** of future careers in a fast changing world.

SATRO delivers to whole year groups, individual classes and can provide a series of timetabled sessions. We work with all abilities and are able to adapt to student needs and the size of the school. It is also possible to put together discounted packages that will support across the academic year meeting your aims in all year groups.

Our prices are supported by charitable funding with additional support to specific programmes. We welcome enquiries from all schools and will endeavour to further support all those with high levels of disadvantage.

DATES FOR 2022 - 2023

SATRO CONSTRUCTIONFEST

Following the success of this event last year we are running it again on:

Thursday 30th November 2023

Invites to schools taking our construction courses have gone out.

SATRO STEMFEST - YEAR 8/9

This exciting and engaging event will be taking place at ACS Cobham again this year on:

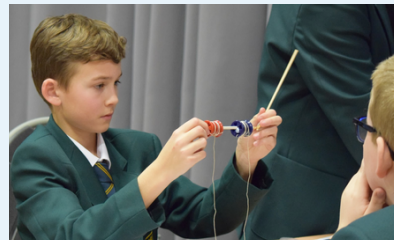

Tuesday 20th February 2024.

Please register your interest contactus@satro.org.uk

SATRO PROBLEM SOLVING CHALLENGE - KS3, 4 & 5

We are currently working with host schools to confirm 5 dates for heats across the region in January/February with the Final in March. To avoid disappointment register your interest now by emailing carl.webb@satro.org.uk

DISCOUNT FOR MULTIPLE BOOKINGS IN ACADEMIC YEAR

We know that many of you plan ahead for the year, as do we, so we are offering a range of discounts for multiple bookings by a school where those bookings are made together for dates across the academic year. This also avoids disappointment at the busiest times of the year eg June/July.

Prices and discounts are clearly stated on our website for each event or workshop, or please email contactus@satro.org.uk for further information or to discuss further.
